### **DETAILED ACTION**

1. This communication is in response to the BPAI decision made on 09/09/2010 and amendments filed on 11/09/2010.

After thorough search and examination of the present application and in light of the prior art made of record, and in response to the BPAI decision made on 09/09/2010, claims 10-17, 19-28 and 30-36 (renumbered as 1-25) are allowed.

### ***Reason for Allowance***

2. The prior art made of record does not teach or fairly suggest the combination of elements, as recited in independent claims 10 and 30. More specifically, the prior art of records does not specifically suggest "uniquely identifying each task within a run" in combination with all the other limitations in the independent claims.

These features together with other limitations of the independent claim are novel and non-obvious over the prior art of record. The dependent claims 11-17, 19-28 and 31-36 being definite, enabled by the specification, and further limiting to the independent claim, are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Contact Information***

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to USMAAN SAEED whose telephone number is (571)272-4046. The examiner can normally be reached on M-F 8-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Hosain Alam can be reached on (571)272-3978. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
